PLANNING PERMISSION AGREED
Build begins in 2018!**

SPORT for ALL

Through our Neighbourhood Plan Drayton has secured funding for the sports facilities you told us you wanted.

There will be room for three pitches (football, cricket and hockey), an all-weather games area (tennis, basket and netball, 5-a-side) and sports pavilion (fitness, table tennis, martial arts dance).

We now need your help to put this into practice.

If you hope to play, join a team, volunteer, coach, organise, run, jump, tackle, dance, shout, umpire, referee, or just watch your children and grandchildren have the time of their lives then join us to hear how you can do all this and more.

Sunday October 15th at 3pm
