

My self (Michael Steptoe) and my wife (Rosemary Squires-Steptoe) have read the the 65 page development plan.

And we both would like to say we both disagree with the development plan, only because we feel there isn't enough detail in the plans with regards to (North of Barrow Road) I.e number of houses and there location, the location of football pitches and cricket pitch.

Until we see clear plans and a clear layout of the Barrow Road site me(Michael Steptoe) and my wife(Rosie Squires-Steptoe) will not support this.

will you please ensure that we are counted as 2 in any analysis

We both look forward to your response to our comments

Thanks

Michael & Rosie Steptoe
