I am disappointed & gratified
re the new development of
houses, to be built on the
field at the back of the
Lumpkin & line in.

If the open green field,
was one of the beautiful scenes
which drew my husband & I
in the first place. To have
that taken away now, would
be heart-breaking, to say the
PTO

Parent

No I do not approve
of the building plan

of our school. Sincerely
