

Walnut Meadows Sports Facilities Feedback Form

Thank you for taking the time to review the Parish Council's plans for the sports facilities at Walnut Meadows. We would like to obtain your feedback about our plans and would be grateful if you would complete this feedback form.

The Sports Facilities at Walnut Meadows originated from the Drayton Neighbourhood Plan. The Referendum took place 10 years ago when the Plan received overwhelming support from the village.

An updated sports needs survey was held in late 2021 with the facilities now being proposed, a direct result of that survey.

Due to circumstances beyond the Parish Council's control, delays have been incurred and costs have subsequently increased, however the Council is proposing to deliver what was agreed in the Neighbourhood Plan and updated sports survey.

In order to meet the stated requirements, we propose to provide playing pitches and a running/walking track, a Multi-Use Games Area and a Pavilion with parking.
